

# AMISPEC WORKSHOP

**Starting workshop of the project AMISPEC (*Advanced Microscopy and Spectroscopy Platform for Research and Development in Nano and Microtechnologies*)**

- **When:** 3rd December 2012
- **Where:** Lecture hall
- **Address:** Institute of Scientific Instruments,  
Královopolská 147  
612 64 Brno

## Schedule of Workshop:

14:00 – 14:30: H. H. Brongersma - Analysis of the outer surface and nano-layers by High-Sensitivity LEIS

14:30 – 14:45: J. Lazar – Interferometric nanometrology

14:45 – 15:00: V. Kolařík – Electron lithography

15:00 – 15:20: Coffee break

15:20 – 15:50: P. Varga – Nanostructures of metal oxide surfaces

15:50 – 16:20: J. Čechal – Metal-organic coordination networks on metal surfaces

16:20 – 16:50: J. Humlíček – Spectroscopic characterization of SOI

## Contact person:

Tomáš Havlík
